ORGANIZING COMMITTEE

CHIEF PATRON:
Dr. Rakesh K Mishra, Director, CSIR-CCMB, Hyderabad

PATRON:
Dr. Karthikeyan Vasudevan, CSIR-CCMB, Hyderabad

CONVENERS:
Dr. Sadanand D. Sontakke, CSIR-CCMB, Hyderabad
Dr. B. Sambasiva Rao, CSIR-CCMB, Hyderabad

AIZWV EXECUTIVE BODY

PRESIDENT:
Dr. B. M. Arora, Retd. Professor (Wildlife), IVRI, Izatnagar

VICE - PRESIDENT:
Dr. Apurba Chakraborty, AAU, Khanapara, Assam

JOINT SECRETARY CUM TREASURER:
Dr. M. Hoque, ICAR-Indian Veterinary Research Institute, Izatnagar

EXECUTIVE MEMBERS:
Prof. S. Nagaraju, Institute of Wildlife Veterinary Research, Karnataka
Prof. N.A. Sudhan, College of Veterinary Science, Jammu
Dr. Parag Nigam, Wildlife Institute of India, Dehradun
Dr. Niranjan Sahoo, College of Veterinary Science, Bhubaneswar
Dr. Rajiv Singh, College of Veterinary Science, SVPUAT, Meerut
Dr. Somesh Singh, College of Veterinary Science, Jabalpur

CONTACT INFORMATION

Dr. Sadanand D. Sontakke, Mobile: +91-7674843969

Dr. B. Sambasiva Rao, Mobile: +91-9885370644

INFORMATION FOR SPONSORSHIP

Category	Sponsorship amount	Benefits provided to sponsors
Platinum	INR 2 lakhs and more	Logo on kit bags of all registered participants, proceedings, one page advertisement in the proceedings, stall at the conference and four registrations free.
Gold	INR 1 to 2 lakhs	Logo on proceedings, one page advertisement in the proceedings, stall at the conference and two registrations free.
Silver	INR 25000 to 1 lakh	Half page advertisement in the proceedings, stall at the conference and one registration free.

ABOUT HYDERABAD

Hyderabad is an ancient city (4th largest in India) located in south-central India. It has a rich history with an admixture of diverse cultures. It is famous for its cultural heritage, pearl jewellery and exotic cuisine. Hyderabad is also known for its Information Technology, Pharma and Biotech industries. Weather in November will be very pleasant with temperature between 17°C and 30°C. Hyderabad is well connected by flights/trains from several cities across the world.

You can find more information about tourism in and around Hyderabad at https://www.telanganatourism.gov.in/

Online Registration and Abstract Submission is open:

International Conference
on

ADVANCEMENTS IN VETERINARY SCIENCES FOR WILDLIFE CONSERVATION

and

13th Annual Meeting of Association of Indian Zoo and Wildlife Veterinarians

November 13 - 15, 2019

Organized by

CSIR - CCMB

Laboratory for the Conservation of Endangered Species (LaCONES)
CSIR-Centre for Cellular and Molecular Biology
Hyderabad, INDIA

INVITATION

Dear Colleagues,

Laboratory for the Conservation of Endangered Species (LaCONES), CSIR-Centre for Cellular and Molecular Biology (CCMB), Hyderabad extends a cordial invitation to participate in the International Conference on ***"Advancements in Veterinary Sciences for Wildlife Conservation"*** and the 13th Annual Meeting of the Association of Indian Zoo and Wildlife Veterinarians (AIZWV) at Hyderabad on 13th - 15th November, 2019. The objectives of the conference are to highlight new research developments in conservation and management of endangered Indian wildlife with focus on wildlife health, conservation breeding and management, conservation genetics and reproductive technologies. The conference will bring together zoo and wildlife veterinarians, wildlife conservationists, zoo man

agers and biologists working in different parts of the world to deliberate on recent scientific developments in this important area.

LaCONES is a dedicated laboratory of CSIR-CCMB, Hyderabad for wildlife research and conservation in India. LaCONES was established in 2006 with the collective efforts of CSIR-CCMB, Ministry of Science and Technology, Central Zoo Authority, Government of India, and the then Andhra Pradesh Forest Department. LaCONES is uniquely placed among various National Institutes to have wild animal holding facilities to carry out modern biotechnological research on them within its campus. Over the years, LaCONES, has made significant contributions in wildlife research especially a better understanding in basic biology of highly endangered animals both *in-situ* and *ex-situ*, DNA fingerprinting, DNA-based wildlife forensics, monitoring of genetic health and genetic resource banking. Further, the research at LaCONES has led to successful live births in ungulates and birds by artificial insemination. LaCONES is committed to partnering with other stakeholders who implement conservation breeding of wildlife in the country.

Association of Indian Zoo and Wildlife Veterinarians (AIZWV) was established in 1991 and currently has 250 accredited life members across the country representing zoo and wildlife veterinarians, academicians, scientists and research scholars. The association strives to bring together professionals working in various facets of wildlife biodiversity conservation, management and healthcare, and provides a common platform to exchange technical observations and scientific findings. AIZWV organizes workshops, conferences and symposia to keep members updated with latest advances in wildlife research and management.

THEMES OF THE CONFERENCE

This conference summit serves as a platform to gather a number of scientists and experts in various branches of wildlife conservation biology. Zoo and wildlife veterinarians, young scientists and students can utilize this opportunity to interact with eminent scientists in this field.

Plenary lectures, lead papers, oral and poster session will cover the following thematic areas

Wildlife Health and Management

(Anaesthesia, diseases, surgical management, imaging, rescue and translocation, orphan rearing)

Conservation Genomics

(Wildlife forensics, population genetics, evolutionary genetics)

Zoo Biology and Conservation

(Enrichment, nutrition, behavior, physiology, captive management and conservation breeding)

Reproductive Biotechnologies

(Reproductive anatomy, endocrinology, gametes, embryo and tissue banking, artificial insemination, rescue of gametes, *in vitro* production of embryos)

SUBMISSION OF ABSTRACTS

Abstracts (250 - 300 words) related to above areas are invited through online submission only after registering for the conference. Submissions by email, fax or post will not be considered. All abstracts sent before September 30th, 2019 will be peer-reviewed by the scientific committee. Authors will receive notification of provisional acceptance, for a poster or oral presentation by October 15th, 2019.

PROCEEDINGS OF THE CONFERENCE

Accepted abstracts and lead papers will be published in proceedings of the conference. Lead papers to be considered for publication in the proceedings are to be submitted by October 15th, 2019.

AWARDS PRESENTATION

Awards will be given in each thematic area for best oral and poster presentations. Awards for best young researcher and field veterinarian will be also given. Lifetime achievement awards will be presented. Winners will be announced on the final day of the conference and awards will be presented at the valedictory function.

REGISTRATION FEE

	Early bird (Until Aug, 30)	Regular (After Aug, 30)	Spot
AIZWV Member	INR 3000	INR 3500	INR 4000
Non-Member	INR 3500	INR 4000	INR 5000
Student/Scholar	INR 2000	INR 2500	INR 3000
Foreign Delegates	USD 70		
Foreign Students	USD 40		

PAYMENT

All Payments can be made through Demand Draft/Net Banking in favour of **CCMB Science Foundation**, Account No. **62452571911**, IFSC Code: **SBIN0020087** payable at Hyderabad. Details of the online payment (Ref. No., Bank name and Date), name of the participant and mobile number along with accommodation request details should be mailed to ***advetcon2019@gmail.com***

ACCOMMODATION REQUEST

Single/Double Occupancy Room:.....

Number of Person(s):..... Accommodation From:.....To:.....

Details of Payment:.....

Signature:..... Place:.....

Note: Accommodation will be arranged for participants on payment basis in the institute guest house or nearby hotels.

The inaugural function will be held at LaCONES campus on 13th November, 2019 at 4:00 PM. All scientific sessions (14th and 15th November, 2019) will be held in CSIR-Indian Institute of Chemical Technology auditorium (adjacent to CSIR-CCMB main campus).

IMPORTANT DATES TO REMEMBER

Early bird registration last date: **August 30th, 2019**

Abstract submission last date: **September 30th, 2019**

Acceptance of abstract: **October 15th, 2019**
